This program is unique in that YOU design a tennis program to fit YOUR CHILD'S intensity and schedule.

You determine the number of days that work best. This allows us to plan our staffing based on registrations and pupil / teacher ratio. We do not charge a flat fee where you pay for classes you cannot attend. Each month, our juniors and their parents complete a calendar. If you do not revise your calendar, you will be automatically registered for the same time / days as your previous month. Please allow 5 days' notice for any cancellation.

All students MUST be registered to attend class.

We do allow drop-ins for an additional fee of \$10 per class. This is based on availability.

Absences will be credited if a 6-hour advance notice is given.

In the case of inclement weather, please call the Pro Shop regarding the status of the class: 512.261.7222.

# JUNIOR TENNIS ACADEMY DEVELOPMENTAL TRAINING

**SPRING 2019**  
JANUARY 8 – MAY 25

**ELEVATION**  
ATHLETIC CLUB  
A NEW WORLD OF TENNIS EXPERIENCE

## THE PROGRAM

The Junior Tennis Training Program at The World of Tennis is designed to develop the student athletically as well as socially through the game of tennis. Our program is divided into various levels of developmental training for early childhood through teens. We initially place your child in the most age appropriate class to begin their tennis development. From there, each child progresses at their own pace to higher levels of training. We can take your child from our Mighty Stars program for 3 - 4 year olds up to the tournament level. From this portion of our program, your child will graduate into our 512 Elite Tennis Academy Level 3. Classes are offered year-round with Tennis Camps offered during the holiday breaks as well as over the summer months. Registration calendars are available at the tennis shop desk.
