Tennis, anyone?

On Saturday, Sept.18, the first annual **Serving for Love Benefit** will bring the community together for a day of fun and friendly competition at the World of Tennis. The event will benefit one of Lakeway’s local charities, the **Lake Travis Crisis Ministries**, an organization that provides food, financial assistance, and support to area individuals.

A great day of fun, the event will include a tennis tournament, a silent auction, music, door prizes, games and lots of good food (breakfast and lunch), a social area for drinks, cornhole games and college football on multiple TVs!

Tennis players will be divided into multilevel teams to compete in an “almost no rules” format. Need a “do-over” for that double-fault or missed return? How about a free point? Want a ringer for a sub? You got it! Tokens for these and other options will be available for purchase during the tournament. Sign up individually or with a partner or team.

Space is limited, so sign up early!
