| Sunday, April 26 | Playoff Teams 1-2 | Playoff Teams 3-4 | Playoff Teams 5-6 |

4/26 will be a playoff date. On this date the top 2 teams will play to see who advances to state. Teams 3-4 will play and teams 5-6 will play. If this date is a rain out, the advancing team will be only the team who finished first in the regular season. Playoff matches on this date are not optional as they are part of the six match minimum we try to make sure all teams have. The home team will be determined by the highest ranked team in that match up.
